

REMARKS

Claims 1-24 are pending in this case. Claims 1 - 19 correspond to the original claims in the prior International Patent Application No. PCT/CN2004/000445 based on which this national stage application is filed. Claims 20-24 are being added. In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated: March 24, 2006

Respectfully submitted,

By  (40,414)
